Source: *Official Catholic Directory* (New York: Kenedy & Sons, 1950-1997).

Note: The *Official Catholic Directory* aims to report the whereabouts of Catholic priests in the United States on January 1 of the *Directory's* publication year. Our working assumption is that a priest listed in the *Directory* for a given year was at the same assignment for part of the previous year as well. However, Kenedy & Sons will sometimes accept updates well into the year of publication. Diocesan clergy records are rarely available to correct this information. The *Directory* is also sometimes misleading or wrong. We have tried to create an accurate assignment record, given the source materials and their limitations. Assignment records are a work in progress and we are always improving the records that we post.
