Dear Bill

I'm in S.D., staying
with friends, living out
of boxes - the search
for an apartment proceeds
apace.

Margaret Dillabough
is tied up with funeral
arrangements for Meg
Egan but we'll meet
after that.

My airfare was only
\$150. My UPS bills
were a little over \$500.

GT REDACTION

If [REDACTED] contacts you again will you keep me apprised?

Oddly enough, despite everything I'm in good spirits and owe much of that to your intercessions.

Thank the Cardinal for his long-suffering in my behalf, will you?

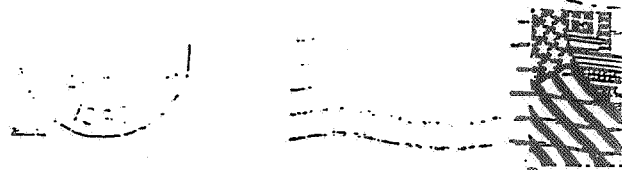

If you need to stash a priest, I could probably help.

gratefully
