Braun

REASONS FOR RESISTING CHANGE IN MY STATUS:

- 1) Recovery from alcoholism has been a full-time work for the past ten years, nine at Chicago Lakeshore Hospital. I direct the staff and all treatment. We have had 2,325 patients in this time. A new assignment would hardly permit this work to continue.
- 2) 
- 3) I hear a lot of A.A.'s Fifth Steps, averaging 1 or 2 per week, helping many to return to the Church and Sacraments, acceptance of themselves as worth-while persons. I am a known resource thru-out the north and northwest suburbs.
- 4) Many of my family are elderly, and I have been able to help them more by living rather close by, within a mile.
- 5) I am a member of the Illinois Certification Board for Counselors. This has meant a trip to Springfield every two months over the past five years, as well as work on some committees. This would hardly be possible in a new assignment.
- 6) Rectory living at St. Francis has enabled me to be very involved ⁱⁿ these aforementioned activities and services. This would not be possible as a newly assigned associate pastor anywhere else.
- 7) I am almost 55 yrs. of age, and find radical change to be a threat to me. As I have been "out of" regular parish duties for over ten yrs., I believe this should be of great concern in your decision.

Rev. David F. Braun
Class of 1954
Assistant- St. Linus, Oak Lawn

On Saturday, November 2, 1963, a Police officer [redacted] phoned the office to state that a Father David Braun had been picked up on Tuesday of this week for attempted immorality with a young boy of 14 years by the name of [redacted] of [redacted] Ill. The officer said that Father Braun admitted the accusation, and had no explanation to offer. The officer said that the father was willing to drop charges if the Church will handle the matter. The [redacted] family is not Catholic, but the policeman is.

I saw Father Braun on the same day. He stated that he had been horseback riding and on his way home he picked this boy up, for he was looking for a ride. Father Braun stated that he had two shots of whisky and two beers at a tavern near the stables, and that this made him loquacious. He stated that he had not touched the boy. [redacted]

[redacted] The boy then opened the door, and Father B. stopped the car and the boy left. Apparently he took the license no. of the car, and then told his father, who reported this to the police in Oak Lawn. Father B. was not wearing the collar.

I asked Father B. if he had ever molested anyone boy or girl or adult. He denied this. I asked him directly if he had homosexual tendencies; he denied this. He claimed that he was doing his work as an assistant, and that his pastor knew this. He did state that a few years back he had a drinking problem, but that this had been solved. He said he had never been in trouble of any kind, and that he was fulfilling all his spiritual exercises- regular confession, meditation etc. I told him that most probably he would have to be changed from the area, for there was scandal involved. He was to await further word from me.

On Wednesday, November 6, Msgr. Mc Nichols, phoned and spoke in latin. He said that two policemen from Oak Lawn were at the rectory, and that there were two charges against Father B. and that he should be taken away immediately. I saw Father Braun this day, and he broke down. He has been a homosexual since 1956. This began when a young man visited him in the rectory, and the relationship then continued. He has been extremely active; in fact he admitted that he could not begin to count the occasions of the sins. His usual procedure is to drive and pick up young boys of high school age. He claims that he can tell by the way they dress and walk, that they are willing subjects. After a brief conversation in the car the arrangements are made. The sinning occurs in the Forest Preserves, or in Fr. B's car in the wintertime. He is the agressor and it is sodomy.

Bishop O'Donnell and I spoke with Fr. B. We decided that he must not return to St. Linus; from the Chancery he drove home; Father Ed O'Brian would take his belongings from the Parish to Father B's home. I phoned [redacted] Father B. left Chicago at 4:30 P.M. by plane with relatives for [redacted].

Dear Frank,

I hope that I am not being too informal, starting this letter this way, but I feel closer to you, just writing as if you were here.

First of all, thanks a million for your priestly patience and kindness to me, when I did not deserve any of it. Secondly, thanks for sending me down here, for I am finding a great deal of peace and real charity. I am able to think more clearly, pray with fervor and like it. I'm still not sleeping well, but that is partly due to lack of exercise, which is changing as of today, for [REDACTED] is now letting me get outside.

He is a very kind and sincere man, and I like him. I again promise to do all in my power to cooperate.

I have Chapel privileges, which allow me to make visits and say The Office there every day. I have been able to offer Mass each morning this week, and that is a great consolation, for there is nothing that I can offer, of myself, to make adequate reparation.

I hope that you will continue to pray for me. And if it is possible, to write to me about the events of my case.

Sincerely yours,

Paul

Dear Frank:

Thank you for your letter of November 26th. It did much to encourage me, and help the future look a little brighter. Gratitude is sometimes difficult to express by letter, but I deeply appreciate your continued prayers for me. Especially thankful today to you for sending me here. It is not only part of the penance I need, it is also a fine opportunity, almost like a second novitiate, to look ahead, and to hope and pray for a still fruitful and sacrificing life in the Priesthood, which I desperately want to accomplish.

We were able to follow the tragic events of last week on television, and everyone was deeply affected by it. The nurses cried, the Sisters flocked to Chapel, and the men said very little for quite a while. Watching the funeral itself, the Mass, the procession, and the Cemetery Service, all did much for the Church, we hope, as millions watched.

X I was a little worried about the bills that must be mounting up, so I asked Sister in charge, and she told me that it all goes through the Chancery. I do have the Diocesan Group Insurance, but I also carry a "Major Medical Expense Policy". Just what the terms are, I can't remember, but you might be able to check with the insurance agent, Mr. [REDACTED], whose office is in Park Ridge. I don't want a big bill for myself, as I haven't got the money; neither do I want the Archdiocese to pay it. Can you look into that matter for me?

X

When talking with Fr. Joe McGinnity before flying down here, I asked that he forward my mail, presuming that would be all right. Thus far, I have not received any, nor had any word from Oak Lawn. It does worry me about possible scandal (this is constantly in my thoughts and prayers of reparation), and I wonder if you are able to relieve my mind a little? I'm honestly afraid to write to the Rectory, for fear of what they might have heard. Also, I had a number of wonderful friends and families there, to whom I would like to write, just to say that I am doing fairly well here, and to ask their prayers. But I would like your permission first. Christmas is getting close, and sending cards is also a question: should I send them, or better not to?

X

[REDACTED]

He is not Catholic, and therefore does not fully appreciate the Doctrine of Grace, nor of the help afforded by good and sincere fellow-priests. I hope that as the weeks go by, I can assure him of my sincere intentions and deep resolutions.

My daily Mass is offered in reparation, except for a few for my Uncle [REDACTED] who just died last Sunday. The [REDACTED] [REDACTED] loneliness - all are offered in the spirit of penance, at the same time thanking God for this opportunity. Out of all this I hope He will help me emerge a better priest.

Please write soon again.

Sincerely in Christ,

Dave Braun

Dear Dave:

I have your letter of November 28th, and I have taken care of some of the matters you asked about. I spoke with [REDACTED] your insurance agent, and he will contact you.

[REDACTED] In any event, he will get in touch with you.

I spoke with Father Joe McGinnity concerning your mail and he said that he sent it to you last Thursday.

By no means should you write to any of the families you knew, and the same is true regarding Christmas cards.

Our Cardinal returns tomorrow evening from Rome. I am sure he will have many things on his mind after nine long weeks of sessions at the Council. As a matter of fact, he has already arranged a Clergy Conference for next week, and he will conduct it.

I hope things are going well with you and rest assured that you have my prayers.

At the suggestion and recommendation of Father Andrew [redacted] and [redacted], and after consulting with Monsignor James Cariff of the Personnel Board, I am again writing you to ask permission to take training at Lutheran General Hospital, Rehabilitation Center for the treatment of Alcoholism.

[redacted]

With your permission I would like to enroll in the "In Service Training" that is offered to me at Lutheran General Hospital. They have encouraged me in this regard, and have a place for me in the course starting in January. It would mean full time training for probably one year. I would be able to live in a rectory during this time, as a resident. After the one year training, I would be able to resume Parish duties and to assist in the rehabilitation of priests and others with a drinking problem.

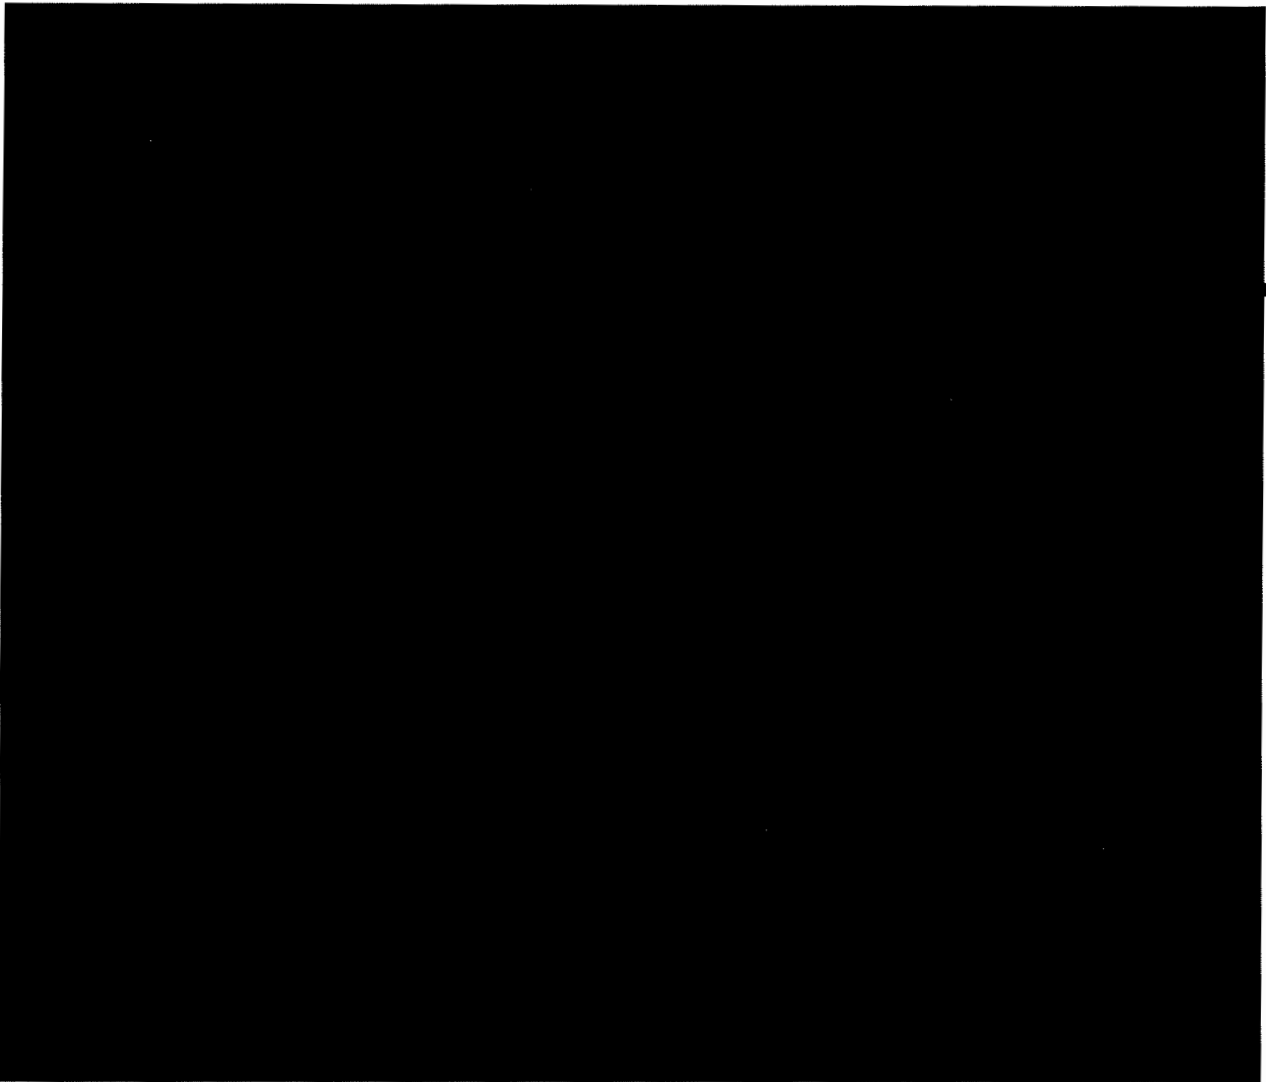

Sincerely hoping that I can continue to be of service to you and the Archdiocese, I await your response.

Dear John,

Regarding my application for In Service Training at Lutheran General Hospital, Rehabilitation Center, His Eminence Cardinal Cody gave me permission to take this training for one year, the full course, to start January 1st., 1972.

His Eminence asked about living in a Parish, and I responded that a residency in some parish near Luther General Hospital would be fine, and that I was willing to take a temporary assignment at this time, or to wait for a transfer until the end of this year, whatever would best suit your needs.

Regarding salary, payment of fees for this training course, or subsidies of some kind, he hoped that this might be worked out between the Hospital, myself and the Archdiocese. Nothing definite was established on this matter.

The meeting with the Cardinal last Saturday, June 19th., was very cordial, and certainly acceptable on my part. I sincerely hope that it will prove to be worthwhile to the future of those in need.

Sincerely in Christ,

Paul H. Braun

His Eminence, John Cardinal Cody
Archbishop of Chicago
1555 N. State Parkway
Chicago, Illinois 60610

Your Eminence:

Recalling the permission you have given to me for the year of "In Service Training" for the treatment and counseling of alcoholics, the Rehabilitation Center of Lutheran General Hospital called me to state that the Training session to begin October 4th. will be open for me if this is possible. The permission and original plan was for next January 1st.

The Personnel Board has called saying that they have a possible replacement here at Our Lady of Grace. Seeking your permission, then for a transfer from this Parish to become a resident in another parish. I also seek permission for this earlier starting date for my training program.

If it is at all possible to consider at this same time the matter of tuition for this training, you had graciously stated that something could be worked out whereby I would not have to bear this myself.

Leaving the matter in your hands, I remain,

Respectfully yours in Christ,

R. David F. Brown

Dear Dave:

Thank you for the copy of the letter you wrote to the Cardinal on August 31, 1971. I acknowledged this a bit sooner, but my secretary erased the half on which I had dictated the letter, inadvertently, and so she lost the letter in that way. We are at present, in contact with you and we will continue to be until we have you happily located in a place of residence. This short note is to acknowledge the letter.

With best wishes, I am

Fraternally yours in Christ,

O

Dear Father Braun:

It gives me great pleasure to appoint you as Vicarius Cooperator to the Reverend Francis J. Trainor, Pastor of St. Lambert Parish, 8148 N. Karlov, Skokie, Illinois, and in accordance with Canon 476, 3, to grant you the necessary faculties for the faithful discharge of that duty.

P

It is understood that you will render every priestly assistance, in conformity with the "in service training" that you are taking at the Rehabilitation Center of Lutheran General Hospital, to the Pastor of the parish. It will be feasible, I am certain, for you to hear confessions and to assist with Masses on the weekend, and to take whatever other assignment would render your priestly service helpful to the parish.

Y

This appointment is effective immediately, but I would ask you to make arrangements with the Pastor about the exact date when you assume your new duties.

Wishing you every blessing and priestly success, I am, dear Father Braun,

Dear Fathers,

Cardinal Cody was gracious to allow me to take the "in service training" at Lutheran General Hospital Rehabilitation Center in order to become an Alcoholism Counselor, with residence here at St. Lambert's. My training of one year was completed last Sept. 30, and then I stayed on as a Staff Member to help them until they could train someone to take my place.

Subsequently, the Cardinal gave permission to accept a counseling position at Great Lakes Hospital, but this did not finalize due to the Governmental 'freeze' on all such programs.

Three weeks ago Chicago Lakeshore Hospital asked me to take charge of their rehabilitation program, and I have accepted that position as a means to better serve the needs of the suffering alcoholics, as well as to improve my abilities for the future needs of the Archdiocese.

I feel relatively comfortable with my priestly work here at St. Lamberts, but if you should need a resident in some Parish closer to my work, fine.

Re; history of my involvement in Alcoholism Treatment

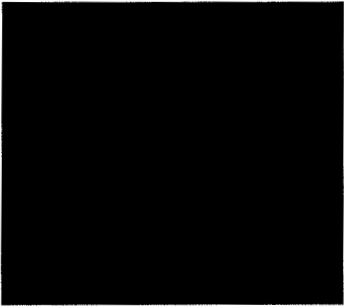

- Fall, 1970 First letter of request to Card. Cody for permission to become a trainee at Lutheran General Hospital. Conference with Msgr. Byrne was positive, but told to think and pray about it, then re-apply in 6 months.
- Spring, 1971 Second request to Card. Cody - resulted in conference with Cardinal at 1555 N. State, with affirmative answer. Made arrangements for Fall.
- Oct., 1971 Transferred to St. Lambert, Skokie, as a resident with full time training period of one year at Lutheran General.
- Oct., 1972 Completed training course - permission given for me to remain at Lutheran General full time until Staff position could be filled. (approx. one month)
- Dec., 1972 Permission given verbally for full time involvement in Alcoholism Counseling to continue. Program at Great Lakes proved to be unsatisfactory.
- Feb., 1973 Interview at Chicago Lakeshore Hospital to initiate new Treatment Program for the treatment of alcoholics, including referrals from Catholic Charities.
- Mar., 1973 Began full time work, while continuing to be of help in the Parish; i.e. early morning Mass, evening calls, counseling, marriages and baptisms, confessions.
- May, 1974 Upon verbal permission of Fr. Keating, I had moved into St. Francis Rectory before assignment letter was received. We had verbally agreed I would be assigned as a resident, upon receiving letter, I called Personnel Board concerning "Associate Pastor" status, establishing that my situation was accepted.
- June, 1974 Transfer to St. Francis Xavier, with the full understanding of the Pastor, Fr. Burke as to my status with the Hospital, part-time Parish duties and involvement.
- 1979 Letter sent to Personnel Board for extension of time and continuance of assignment both as Alcoholism Coordinator and Associate Pastor. Request was granted.
- 1980 Second letter submitted to Personnel Board for continuing status and for the same reasons. Permission granted
- 1981 I have submitted my request for all these reasons and prayerfully ask that they be granted and my status as a resident be confirmed.

Your Eminence;

The Personnel Board and Fr. Keating have explained to me that you alone can clarify in writing, my status as a resident at St. Francis Xavier Parish, Wilmette, Ill.

Apparently my official letter of assignment of June 10, 1974, should have transferred my status as resident from St. Lamberts Parish, Skokie, Ill. to St. Francis Xavier.

I am enclosing a brief chronology explaining my involvement in Alcohol Rehabilitation Treatment, for which I had received your official permission in Spring of 1971. In addition to this information, I am a guest lecturer at Central States Institute with Msgr. Mc Dermott and I have been instrumental in helping two other programs become viable, as well as having served the past four years on the Illinois Task Force Certification Board drawing up guidelines for the Certification of Counselors in the State of Illinois.

I very much wish to continue with these efforts as well as the residency at St. Francis Xavier. Prayfully this will meet with your approval.

Sincerely yours in Christ,

Dave Braun: Dave called John Finnegan to say he wants to be named a full-time associate at St. Francis Xavier Parish. John didn't feel that he sounded very good on the phone and wondered if Dave quite the Alcoholic Rehabilitation Center or was fired. John feels Dave may be slipping and will be getting together with him for a long talk, after which he will report back. It was pointed out that the basic plan for St. Francis Xavier is a complete turnover in the rectory. John will also consult with Andy McDonagh.

Dear Tom,

Thank you for your letter of July 26 - it was good to hear from you.

Also, thank you for sharing your feelings and concern for me re: the events of the past six months. [REDACTED]

My move to St. Thomas took place July 2, and it has been a good experience ever since. The welcome here has been the warmest ever in my life. There is a new scope to the experience here of true pastoral ministry, and I am a bit excited about it. There is Cursillo, CRHP, Outreach, and a fabulous Ministry of Care. The five deacons are active, and the Small groups that I've become involved with are good. Overall, I like what God has done for me, and I'm grateful.

Not getting an appointment at the regular time was trying, but my classmate on the Personnel Board, John Finnegan, and several other classmates gave me great support.

"Lord, it is good for me to be here" sum up my thoughts right now, Tom. Thank you again for your patience and understanding, encouragement and follow-up.

In Christ,

Dave Braun

RE: David Braun

1. I spoke to Dave Braun today about his circumstances. Andy McDonagh has been working with Dave, preparing him for leaving Mater Christi and going to St. Benedict's. Dave has been out to see the rooms that he will be living in. He is going out again on Monday, Dec. 30, [REDACTED] to measure the rooms for furniture.
2. He only has two articles of furniture for himself. One is a recliner chair and the other is a special bed that helps him sleep sitting up a little bit. He asked if we would be able to help him with the furniture. I told him that I would contact Dennis Mudd to see if he had any furniture around that we might glom onto. If not, we will have to see about getting him some furniture in that apartment.
3. We have instructed the PRMAA to pay the \$850 monthly fee for his residence there. He will be helping out as much as he can. Dave also agreed that he will ask for Social Security on April 9 when he becomes 65 and that he will also retire at that time.
4. In the meantime, I will ask the PRMAA to pick up his regular salary that is now presently being picked up by the parish, I believe. The amount of money that he gets from Social Security and from the retirement fund at 65 should equal the amount of money he will be getting in salary.
5. We had a very cordial conversation. Dave is totally cooperative with everything. He seems in good spirits [REDACTED]

RE: David Braun

1. Pat Pollard called today with a concern that was expressed by Don Ahearn of the PRMAA Board and Andy Pollard. They do not want to see Dave Braun on the retired list drawing a full salary. No other retired man has the same set-up.
2. I told him that Dave's situation was a little bit different since he's being forced into retirement, but their fear then is that we are once again rewarding incompetence and misbehavior and the one who messes up comes out ahead.
3. Obviously, Dave has to leave the parish and cannot reside in the parish. It will be costing us \$850 to install him at St. Andrew's House. Pat Pollard and I agreed that he will leave and go to St. Andrew's. Our office will pick up his salary between now and April and PRMAA will pay the \$850 to the House.
4. We will re-negotiate all that in April. I will write a letter to Dave explaining how the PRMAA is balking at picking up his retirement and his residence.
5. Pat is going to talk to Ed Conway about the relative cost of remodeling a whole wing at St. Benedict's and keeping it as a residence for priests. If he can determine how much this would cost the Archdiocese, this whole set-up might be even better than [REDACTED].
6. We must look to the future fact that these priests, if they remain in ministry, will have to be under supervised living situations for the rest of their lives. We are talking 20 years or more in some situations. We have to take a long-term approach on this and so Pat will check out comparative costs with Ed.
7. If we did move into this kind of a residence, we could move our retired priests in there first, perhaps a Dave Braun and [REDACTED] in, then later some of the more publicized cases. Once we have established that kind of a residence with a miscellaneous clientele, the path would be paved for us to have a nice operating system in the future.

Dear Dave,

In attempting to work out a compensation package for the future, with the additional burden of paying your residence fee at St. Andrews, I ran into a snag.

The PRMAA insists that it cannot go along with the plan I had originally proposed. I spoke to Pat Pollard about our needs and he and I and Andy will work out a final package before your 65th birthday in April.

For the time being, you will be going to St. Andrews for residence. I cannot absolutely guarantee that residence in the future. It may have to shift. Our office will also pick up your salary until the April date. As I said, at that time we will be able to formulate something more definite for the future.

I will be out of town til January 18th and when Andy gets back on the 25th, we'll be in touch. Meantime, take care of yourself.

Fraternally,

Rev. Patrick O'Malley

RE: Rev. David Braun

1. I spoke to Dave today about the letter I had sent him before going away. He came up with another possible suggestion for the future.
2. His suggestion was that if he retired at age 65 he would be entitled to \$700 retirement, that is 30% less than what a man would get at age 70. He also would be entitled to his Social Security pension.
3. In addition, we would be picking up the cost of his staying at St. Andrew's. That comes to about \$850 a month, which is quite a bit.
4. Dave thinks he could make it independantly if he were to get full retirement at 65 plus the Social Security. In that way he would not have to live at St. Andrew's. He could move into his trailer home at Woodhaven. In the long run it would be much cheaper to give him that additional \$300 rather than pay \$850 at St. Andrew's.
5. I think that the PRMAA will insist that if he retires at 65 he will only get 70% of what he would be entitled to at a later retirement. However, we might work out a situation where he would get his 70% retirement, draw his Social Security and receive a separate living help from PRMAA, which would be much less than the \$850 we are presently contracted for.
6. I'll have to talk to Andy McDonagh and Pat Pollard about this to see if the PRMAA would be in agreement.

He hopes Cy will pay him for March. He should officially retire in March. He will get his \$700 pension and supplement from Vicar's Office. His financial status will be reviewed in 6 months. With all his physical problems I wonder about his future. Only God knows. I said I thought Fr. Kealy would mention his retirement in one of his letters to the clergy.

As you know, Dave Braun retired at 65 in April. Dave is a client of ours and retired at our request and also retired because of health difficulties. He will be receiving his regular age 65 retirement payment from Aetna. The amount of money that he gets for Social Security is rather small and we have agreed to supplement his income with a monthly check from PRMAA for \$400.

I would ask you to pay him for the months of April, 1992 and May, 1992 and from that point forward. The checks should be sent to Rev. David Braun at his Woodhaven address.

Thank you very much for attending to this matter.

Re: Rev. Dave Braun

Fr. Dave Braun was ordained in 1954 for the Archdiocese of Chicago. His first appointment was at Sacred Heart Church, 70th and May, in Chicago. I became acquainted with Fr. Dave

[REDACTED] in 1966. [REDACTED]

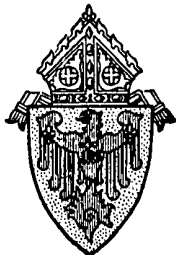

[REDACTED] He became a certified alcoholic counselor, having received his training at Lutheran General, and eventually became head of Lakeview Hospital for drug related problems. Lakeview Hospital is in Chicago. He then had a slip [REDACTED] and since that time has been actively involved in [REDACTED], working as an alcoholic counselor privately, and doing a considerable amount of [REDACTED] work.

In the last ten years or so Fr. Dave has had many physical problems. [REDACTED]

Much of the time he has not been able to work full time.

He is now retired -- no longer practices ministry publicly. He no longer lives in Chicago. The Bishops of the place where he lives are aware that he cannot function as a public minister.

Fr. Dave is very sorry for anyone he has offended and prays for them daily in his private prayer. He is very sorry about [REDACTED], is sorry if he offended him. He has tried to remember [REDACTED] and his companions but has not been successful. He has tried to remember the names of the coaches. He mentions one name -- I think the name was [REDACTED]. I am not surprised that he has many memory problems for all that he has gone through.

I see him as a penitent person, begging forgiveness. He appreciates the compassionate position that [REDACTED] is taking and is so sorry that [REDACTED] has had to [REDACTED].

I read this statement to [REDACTED] ([REDACTED]) who is an alleged victim of Fr. Braun's. [REDACTED] has called the office and has talked on a number of occasions to Ralph Bonaccorsi. He is not looking "for anything". He is just concerned that Fr. Braun be penitent, be sorry for what he has done, realizes the damage that he has done, and is not in a position to continue that kind of activity. I gave [REDACTED] my telephone number and told him I would be glad to discuss this matter further with him if he so desires. I purposely read this statement to [REDACTED] because there might be a misunderstanding in terms of what [REDACTED] expects of Fr. Braun.

[REDACTED] I think at this particular point that [REDACTED] is pretty satisfied with the statement concerning Fr. Braun. We will learn more about this later.

Re: Rev. David Braun

David Braun is a client of ours for some time. A young man came forward lodging an allegation of abuse against Braun. This supposedly took place some 30 years ago. The man's claim seems reasonable [REDACTED]

[REDACTED] Mr. Ralph Bonaccorsi has been in touch with the young man, whose name is [REDACTED].

Among the things suggested by [REDACTED]'s lawyer, was that [REDACTED] would like for his own therapy to have a meeting with the Cardinal. It would be a friendly meeting and is more for his own healing. I told [REDACTED] that I would be in touch with you and would try to arrange this. He knows of the Cardinal's tight schedule. If you could possibly get a date for this meeting with [REDACTED], I would ask you to call [REDACTED] at [REDACTED]. He will set the meeting up then. Thank you very much for your attention to this matter.

Re: Rev. David Braun/[REDACTED]

You are scheduled to see [REDACTED] on 5/17/93 at 3 P.M. Along with this memo I am sending you a statement from [REDACTED] himself about the impact of Fr. Braun's escapades on himself.

[REDACTED]'s desire is to sit and talk to you as a healing gesture. [REDACTED] who is friend of Ken Velo's, as is everybody else in the world, has recommended this meeting. He feels it will help keep the tone of the negotiations in a reasonable space. If you need any more information, please call.

By the way, David Braun is now retired and does not practice any public ministry. His health is only so-so. He is living in Sublette, IL, in his trailer and speaks to Andy McDonagh weekly. He also attends the Wednesday life management group with [REDACTED] and Fr. McDonagh. At this point Fr. McDonagh is his contact and monitor.

(I phoned this report in to the Cardinal on the afternoon he was to see [REDACTED] and his wife. I also reported to the Cardinal the gist of what [REDACTED] said in his own written paper on his experiences. POM 5/17/93)

RE: Phone Call from [REDACTED]/Steve Sidlowski's
Return Call to [REDACTED]'s secretary 7-2-93.

[REDACTED]'s secretary informed me that [REDACTED] called me because [REDACTED] a [REDACTED], is filing a complaint apparently about a Fr. Braun. I told her I was not familiar with that particular priest but that perhaps the Vicar for Priests' Office was handling the matter. Her secretary said that [REDACTED] wanted to speak with me before any final decision was made in the matter and that she was apparently receiving a subpoena. [REDACTED] was now out of town.

A few days later, I conferred with Rev. Pat O'Malley, the Vicar for Priests, about this situation. He told me that he was fully aware of [REDACTED] and that it is not a new claim. It is thirty years old. He said that [REDACTED]'s attorney, [REDACTED] suggested a civil suit and to see the Cardinal. The issue revolves around, apparently [REDACTED]. Fr. O'Malley said that his Office is attempting to resolve this in trying to determine [REDACTED].

At the 7-24-93 Review Board Meeting, I spoke with [REDACTED] and told her that the matter was being handled by the Vicar for Priests' Office at this point and if she would like to find out more, she should contact Fr. O'Malley.

Dear [REDACTED],

I received your letter of July 20 and was both pleased and saddened. I was pleased because it seems that you have been able to put some of the terrible past experiences behind you and that is a blessing. It saddened me because the process of doing so has itself been additionally painful.

I have shared your letter with the various people to whom I have entrusted the responsibility of working with those who were victimized by clergy abuse. We try very hard to see that every such encounter is handled sensitively but we know there are times when, for one reason or another, communications break down or are delayed – and this adds to the pain of the moment.

We apologize deeply for any failures in our process. Once these matters enter the legal arena, they take on a life of their own and sometimes unintentionally become far less than personal. That seems to have occurred in our working with you.

Mr. Ralph Bonaccorsi is the man I have asked to work in the ministry to those who have been victimized. I am happy that he was able to be of service to you.

I have talked to Father O'Malley also. His recollection is that he asked his assistant vicar, Father Andrew McDonagh, to contact you. Father McDonagh was the one working with Father Braun at that time and had been working with him for some years. Father O'Malley felt that Father McDonagh was the one who could be most helpful to you in providing information. I understand that you and he had some fruitful conversations.

Again, I regret deeply the delays and the subsequent pain that was caused. I hope that we in the Church will have learned to be even more sensitive in these matters.

Thank you for taking the time to write. I will pray that the Lord will bless your future with great peace of mind. I ask your continuing prayers for and for the Archdiocese.

With cordial good wishes, I remain

Sincerely yours in Christ,

Archbishop of Chicago

Memo to File

From: Rev. Patrick O'Malley

Date: 10/5/94

Re: Rev. David Braun

I met with Fr. David Braun at a restaurant in Riverside on 10/5/94. At the end of October, he will be going to Florida to his winter home. He has a trailer in Sublette, IL, which he lives in from May 1 until the end of October. Then he resides in northern Florida from November 1 to May 1. The address and phone number are in our records.

We talked about Father Braun's physical health. [REDACTED]

[REDACTED] Most of the time he works in his garden and also does some woodworking.

With regard to [REDACTED], Fr. Braun attends two weekly meetings when he is here in the Illinois area and two when he is down in Florida. The one in Florida takes place in the local Catholic parish. He says that in other regards - [REDACTED] - he is functioning well and is having no problems at this time. Overall, Fr. Braun appears very fragile physically, but seems to be in good spirits. He has no public ministry, although I presume that he does say Mass privately.

Fr. Braun would like his check sent from our office directly to his bank and he will provide the proper papers and the address of his bank before he goes to Florida.

Article 4.7(c) Report to Review Board from Administrator Steve Sidlowski:

12-9-94

I received a call today from the Victim Assistance Minister that a woman who resides in the [REDACTED] area intends to formally bring forward an allegation of sexual misconduct as a minor against Rev. David Braun, one of the "old" matters which the Vicar for Priests has handled up until now. (If this person formally details an allegation of sexual misconduct as a minor to me at some point, however, the matter will then come under the Review Board's jurisdiction). In the meantime, this report represents an Article 4.7(c) report to the Board.

Ralph Bonaccorsi informed me that he only knows the alleged victim as a [REDACTED] but he does not know her last name as yet. [REDACTED] Ralph had actually received a call from this person's [REDACTED] recently [REDACTED] The allegation apparently involves a recovered memory according to Ralph.

Ralph recently traveled to [REDACTED] and met with [REDACTED] and [REDACTED] and explained that if she wants to detail her allegation she would need to contact the Administrator. Apparently, [REDACTED] did ask for my phone number and Ralph said that she "may be calling" you although he expects that it may not be for a period of time. Ralph does not expect I will hear from [REDACTED] before Christmas.

Ralph also noted that [REDACTED] detailed her allegation "a little bit" but overall she remained fairly vague on the details. I informed Ralph that I would notify the Review Board about this situation pursuant to policy.

Ralph confirmed that I was aware that Rev. Braun is one of the "old" priest sexual misconduct with minor matters and further noted that to his recollection he recalls there were a couple of allegations against Rev. Braun from the past. I do not know the details. Rev. Braun is retired (ordination class of 1954).

Phone Call from [REDACTED]:

12-15-94

[REDACTED] called me today from Peoria, Illinois. She confirmed that she is the [REDACTED] who met with Ralph Bonaccorsi and [REDACTED] recently in [REDACTED]. She stated that [REDACTED], [REDACTED], was present during this call and that she has now decided that she wants to set up a meeting with me to detail her allegation of having been allegedly sexually abused as a minor by [REDACTED] Rev. David Braun. [REDACTED] confirmed that the alleged priest perpetrator is Rev. Braun and that this allegation is based upon a repressed/retrieved memory.

I explained the basics of our policies/procedures to [REDACTED] and she said that [REDACTED] would definitely like to receive a copy of the policies and review them before we would meet and that [REDACTED], through [REDACTED], may get back to me before we would meet with any questions. I added that assuming that we do meet at some point that I would go over the policies with them once again. [REDACTED] also requested a copy of the policies which I assured her I would send her.

At that point, [REDACTED] also decided that she would provide me with her last name and home address. It is: [REDACTED].

[REDACTED] provided her home address as: [REDACTED]. [REDACTED] stated that both [REDACTED] and she can be reached at [REDACTED]'s work number: [REDACTED].

No further information regarding the allegation was provided me at this time. I informed [REDACTED] that she, of course, could be present for [REDACTED] detailing the allegation as well as any significant other [REDACTED] might want present, including an attorney should she so desire. [REDACTED] stated that [REDACTED] will have her husband present and [REDACTED] will also be there. I told her that Ralph Bonaccorsi would likely be present with me, as is the norm. [REDACTED].

We then concurred on a tentative meeting date of Thursday, January 12, 1995 (or the possibility of Thurs., January 5th also remains an option) at [REDACTED]'s Office on [REDACTED] from Noon until 2:00 p.m. approximately. We agreed that we would likely speak in the first week of January to formally confirm the date and the time.

Dear [REDACTED],

I want to acknowledge and appreciate the phone call which I received from [REDACTED] earlier today. I am Steve Sidlowski, the Professional Fitness Review Administrator of the Archdiocese of Chicago. Formerly, I represented hundreds of child sexual abuse victims as an Assistant Cook County Public Guardian. All allegations of sexual misconduct with minors by priests of the Archdiocese are referred to me for inquiry.

Moreover, I report to an independent Review Board, consisting of six lay and three clergy members. With respect to allegations against priests, the Review Board makes determinations and recommendations to the Archbishop. The Board bases its determinations on whether the safety of children is adequately provided for and whether there is reasonable cause to suspect that the accused priest engaged in sexual misconduct with a minor.

I have taken the liberty to enclose a copy of the Archdiocesan Policies in these matters entitled "Clerical Sexual Misconduct With Minors: Policy for Education, Prevention, Assistance to Victims and Procedures For Determination of Fitness For Ministry." We believe that our procedures are sound and that a person making an allegation will be dealt with fairly and objectively.

I also mentioned to [REDACTED] as well that I want to also formally pass along to you information as to how to contact the civil authorities about this situation should you ever so desire. Please know that you are under no obligation to sign the enclosed form, but if you want to sign it and return it, please mail it to me at the above address.

AOC 008373

If upon reviewing our policies and procedures, you have any questions, please feel free to contact me at your convenience. Of course our Assistance Ministry and Ralph Bonaccorsi (1-312-751-8267) remain available for outreach to you as well.

I realize how difficult this all may be for you. It would be most helpful if you could provide me with additional information pertaining to your allegation. As such, I look forward to our tentative meeting (along with [REDACTED], your husband apparently, and hopefully Ralph Bonaccorsi) scheduled for January 12, 1994 at [REDACTED]'s office in Peoria.

Once again I want to assure you that we take these allegations seriously and I will utilize our procedures to follow-up on such matters. Thank you again for your phone call through [REDACTED] and I look forward to meeting with you in the near future.

Sincerely,

Steve Sidlowski

DATE: December 17, 1994

BOARD MEMBERS PRESENT:

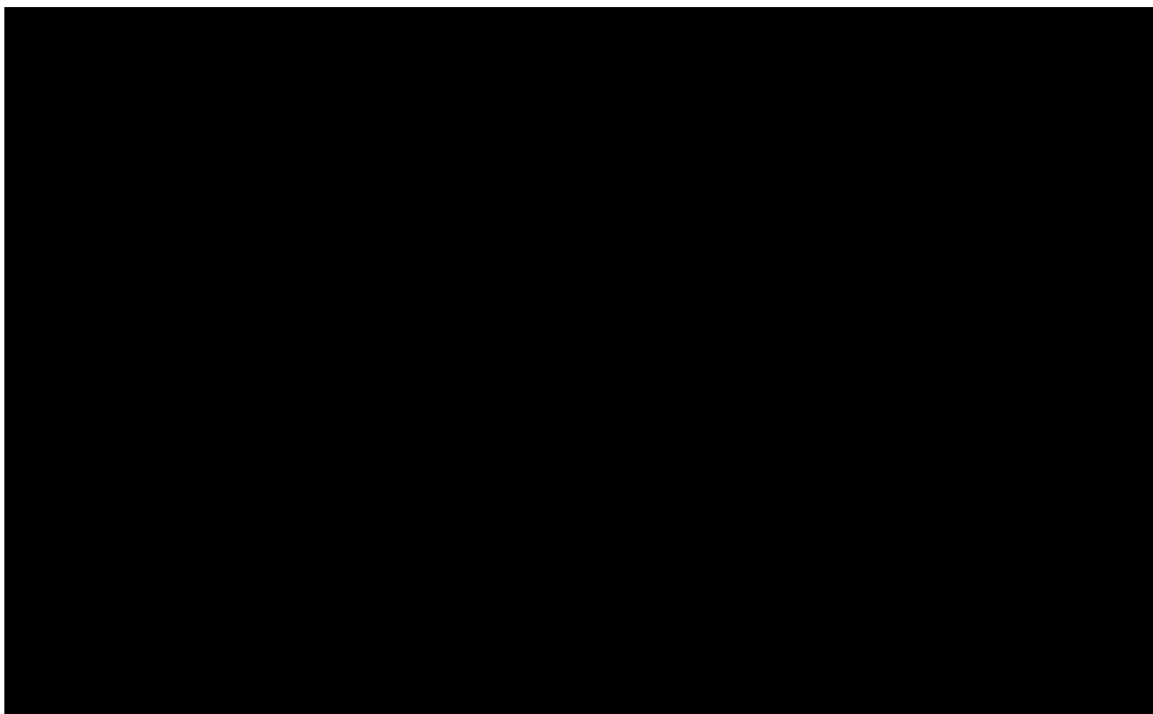

OTHERS PRESENT:

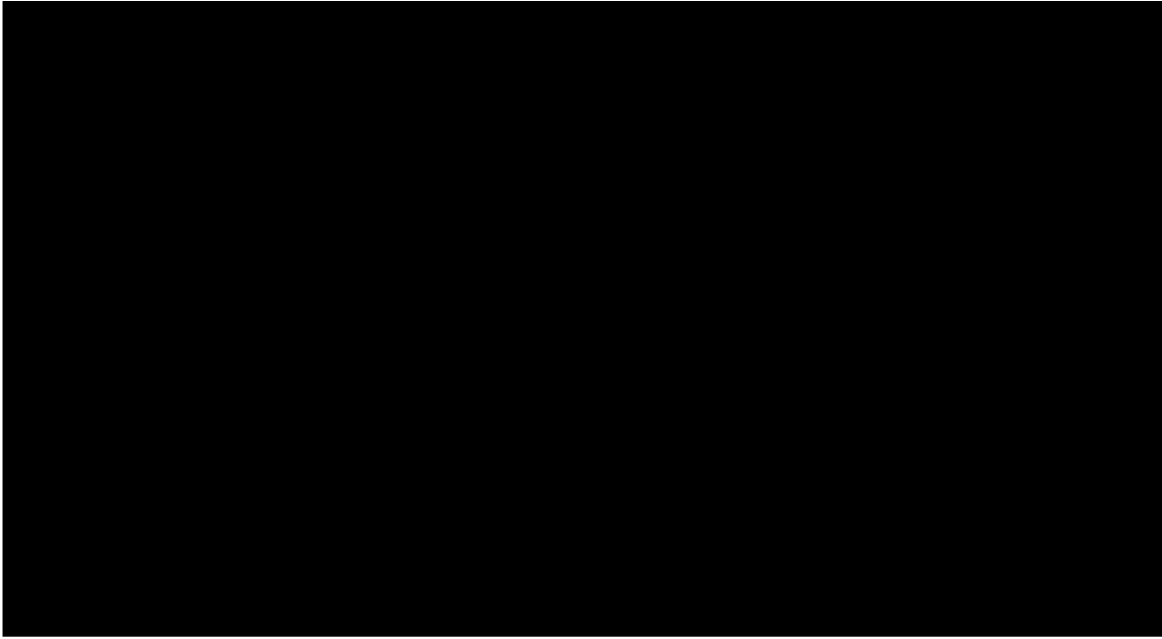

Thomas Paprocki

Steve Sidlowski

* The Review Board formally approved the Meeting Minutes for its last Board Meeting of November 19, 1994.

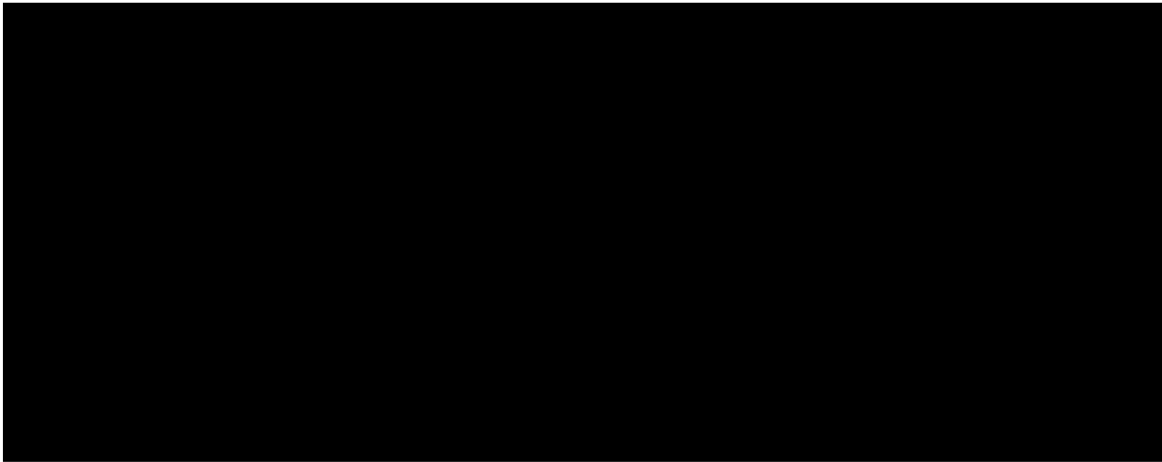

Matter of :

Board Discussion on Deceased and Resigned Priest Matters:

The Board discussed Rev. Tom Paprocki's ideas regarding possible, future changes to the policy on the above subject. The Board concurred that it should expand jurisdiction into/over deceased priest matters formally (although the Board has already been dealing with these matters in many respects since its inception); the Board noted that it is only accepting at this time the concept and that further discussion as to perhaps refining the language might be needed, including any proposed changes any Board members or others might want to suggest. The Board could not reach a consensus on how to approach resigned priest matters as yet.

Article 4.7(c) Report on D. B.:

The Administrator had already informed the Board through a mailing that a tentative meeting was being arranged to receive an allegation of sexual misconduct as a minor against D.B., one of the "old" priest matters and the Administrator noted how the Assistance Minister had first notified him of the situation which was followed by contact with the alleged victim's [REDACTED] and the

Administrator mailing typical policy information to the alleged

victim.

* The Administrator reminded the Board that its next two meetings
are set for 1-21-95 and 2-18-95.

- She received our materials in the mail...has a couple of questions i.e. the possibility of [REDACTED] bringing a legal claim against the Church.

- "They ([REDACTED] and her husband) wouldn't ever think of that - no" - they're not involved with any lawyers apparently, to [REDACTED]'s knowledge.

- [REDACTED] I explained again clearly that I am not the attorney for the priest ([REDACTED] had misunderstood that perhaps I was) and how my role is to be as fair, objective, and impartial as feasible - to be the facts and circumstances gatherer.

- [REDACTED] also stated that if the Board does not find reasonable cause to believe it happened or continue action regarding Rev. Braun she will be "in their face" about any such outcome.

- [REDACTED] has no problem with the Review Board or I wanting to have/know her own background [REDACTED]

- Tentative date of meeting still set for 1-12-95; I assured her I will contact her ([REDACTED]) after the New Year to formally confirm/arrange the date, and reclarified I hoped that Ralph B. would also be present, although I had not yet heard back from him.

NOTE: Ralph's Office called back and confirmed that he, too, intends to be present at the meeting.

Phone Call to Ralph Bonaccorsi:

1-11-95

- [REDACTED]
[REDACTED]

- Andy McDonagh confronted David Braun about the allegation. She ([REDACTED]) asked me (R.B.): "Did he admit to it?" Ralph basically responded that he was cooperative.

- David Braun has [REDACTED]. He was told not to be in the presence of minors.

- He has followed procedures and now with the new allegation - we'll take the matter to the Board and take steps to ensure the safety of children would be followed.

- S.S.: Does Ralph know if he's [REDACTED]? Ralph; "No." "I don't know that he was put under a formal monitoring system nor that he ever [REDACTED]"

- In light of your allegation, the Board will review and perhaps re-consider his [REDACTED] monitoring protocol(s). The present protocol(s) are always reviewed when one of the "old," pre-Board cases come to the Board.

- [REDACTED] Ralph said that at this time he had "no reason not to believe her."

- One prior allegation to Ralph's knowledge (the 1st allegation [REDACTED] - [REDACTED] around 1960 or so according to POM).

Memo to File

From: Rev. Patrick O'Malley

Date: 1/17/95

Re: Rev. David Braun

Fr. Canary and I spoke to Fr. David Braun in Florida this morning. His number there is [REDACTED].

We told him about the interview that Mr. Steve Sidlowski had with [REDACTED]. Dave informed us that he heard from her about 2 1/2 years ago asking him if he had ever abused her. At that time he wrote back and said that he had never done such a thing. He heard from her two later times. He has been keeping her in his prayers during this time so that whatever difficulties she had might be worked through.

I gave Fr. Braun the office number for the attorney, Pat Reardon. He will call him on Monday. Sidlowski is willing to set up some kind of a conference call if necessary to present the allegations. I described to Fr. Braun how he should cooperate with his attorney in making a response. I must say that Fr. Braun categorically denied any such abuse of [REDACTED].

Fr. Canary outlined for Fr. Braun what he himself had heard from Mr. Sidlowski.

I informed Dave Braun that I would be asked to turn over my records to him. I would share with Pat Reardon the material that I will turn over to the PFR administrator.

Braun will call Reardon on 1/16 and thereafter Steve Sidlowski will be in touch with Braun.

On 1/16/94, I spoke with Mr. Reardon explaining the procedures. He wanted to be able to read Barun's record before it is turned over to the PFRBD. He will cooperate with whatever way we wish to approach Fr. B.

On 1/17/94, in a conversation with Sidlowski, the PFRA, we decided he would call Braun to alert him; then he would write out the full allegation and send a copy to B. and his attorney. They could confer; then Sidlowski would call Braun for his response in a conference call. I may be part of that call.

After that, I will meet with Reardon to show him the records we will be turning over. Then the turnover.

Phone Call from Rev. Pat O'Malley:

1-17-95

- I (POM) talked to Dave Braun last Saturday. Dave Braun contacted Patrick Reardon.

- He (D.B.) totally denies this.

- Pat O'Malley wants Jim Serritella to go through it with Patrick Reardon.

- Write it up, send to him, have them read it and then do a Conference Call.

- The last allegation was June '92 - [REDACTED] 35 yrs. ago - settlement was made.

- "It's up to Dave Braun if he wants me (POM) as part of Conference Call."

Phone Call to Rev. Dave Braun:

1-17-95

- We confirmed he knows about [REDACTED]'s allegation; he's already contacted Pat Reardon.

- Friday is okay to have conference call - he'd like if Pat O'Malley was part of it; I'll (S.S.) Fed Ex allegation in writing to him and Pat Reardon. They'll have it Thursday a.m. I'll call Pat Reardon, tell him, agree to good time to have Reardon call Braun to formalize time.

Response to [REDACTED]'s Allegation by Rev. David Braun:

1-20-95

(Present on Phone Conference Call: Rev. Braun, Rev. Pat O'Malley (Vicar for Priests), Rev. Braun's attorney Mr. Patrick Reardon, Steve Sidlowski-PFRA

We had arranged for a telephone conference today to afford Rev. Braun an opportunity to respond to the allegation of sexual misconduct brought against him by [REDACTED]. We went over the basics of the policy and I offered Rev. Braun or his attorney to ask any questions they might have. They did not have any questions. I explained to them that the Review Board will consider this matter at its meeting tomorrow in some way - I noted that perhaps the Board would initiate either a Supplementary Review or a First Stage Review and that it was up to the Board. We discussed how it might make more sense to either initiate or conduct a Supplementary Review in that Rev. Braun has already been retired from any ministry, and so any consideration of a possible return to ministry - as a Second Stage Review requires - would seem unnecessary (following any First Stage Reviews).

I also noted that it was my understanding that Rev. Pat O'Malley would be present at the Board meeting tomorrow to present some of the other background in Rev. Braun's situation in that it had come to my attention that there was a prior allegation of sexual misconduct involving a minor at the time that had been brought against him (i.e. Rev. Braun is one of the "old" matters). Unfortunately, Mr. Reardon was unavailable to meet with Rev. Pat O'Malley to go over the information that was going to be given to the Board (although Rev. O'Malley said that it was ready to go but for that) and so it was clarified that Rev. O'Malley will not be presenting that information to the Board tomorrow. As such, I noted that the Board may only initiate a Review in this matter and await that material to consider at its February, 1995 meeting. (Mr. Reardon noted later in the conversation that he would "have to make some objection to" the Review Board getting information about the prior allegation about his background perhaps, although I noted to him that the Board has received such other non-privileged background information in "old" matters in which there is a new allegation and that he could talk further to Rev. O'Malley about that.

In any event, Mr. Reardon did note that as to Rev. Braun's "other problems," that David Braun "has been very forthright and dealt with them in the internal process."

Response:

Mr. Reardon spoke on behalf of Rev. Braun primarily and noted

that he and Rev. Braun had "talked at length" about this situation and how "it is obviously impossible to present any proof" such as an alibi as to where Rev. Braun might have been during the time/place [REDACTED] refers to in her allegation because [REDACTED] provided no definite dates as to when the alleged sexual misconduct would have occurred. Whatever the case, Mr. Reardon stated "Nothing like this...ever happened, anywhere, anytime" by Rev. Braun toward [REDACTED]. He re-iterated "This never happened at any time in his life...this type of thing never went on with her." Mr. Reardon asked Rev. Braun if that was an adequate remark. Rev. Braun then interjected "that is correct. That is very correct" meaning in reference to the firm denial just communicated by Mr. Reardon.

Mr. Reardon then clarified that this strong denial is specifically in reference to [REDACTED] but he again re-emphasized how Rev. Braun has cooperated with other previous problems which may have come to light. As such, Mr. Reardon again emphasized that "No contact that was unlawful or improper with this [REDACTED]" ever took place between Rev. Braun and her.

Rev. Braun followed up by stating "That is correct. Never in my life."

I followed-up with a couple of questions which I noted if Rev. Braun or Mr. Reardon were willing to respond to might be helpful to the Board in its deliberation over the situation. I inquired as to whether Rev. Braun did ever [REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

Rev. Braun and Mr. Reardon then clarified that David Braun transferred in 1962 to the South side from St. Sebastian (on the North side) to St. Linus (on the South side). [REDACTED] Mr. Reardon then added "We're offering [REDACTED]"

that information" in order to help [REDACTED] in her healing.

[REDACTED]

In any event, Mr. Reardon again referred to [REDACTED]'s statements as "a false allegation" and "an allegation we do not consider accurate" in terms of her alleged repressed memory.

Rev. Braun said that the Board "may also want to refer to Fr. Andy McDonagh" for character support and Mr. Reardon clarified that Rev. Braun had been meeting with Rev. McDonagh for many years [REDACTED]

Mr. Reardon wanted to clarify that in regard to [REDACTED], "Father has no animosity for her, for what trauma she may be going through."

Then David Braun himself remarked "I want to object" however, that [REDACTED] "already knows about previous allegations." I then explained to him how [REDACTED] had point-blank asked Assistance Ministry's Ralph Bonaccorsi whether he had previous allegations of sexual misconduct involving minors against Rev. Braun some time in the past year (after she had reached the conclusion that Rev. Braun was the alleged perpetrator) when Ralph and she had been in contact and that Ralph did initially confirm that reality. Rev. Braun continued that he wanted to know if there had been any investigation into [REDACTED]'s background such as to note that she [REDACTED]

He noted how she and her husband were married in [REDACTED] of 1983 and although it is a good marriage, such things might have contributed to [REDACTED]'s problems. Mr. Reardon then also interjected that, nonetheless, such comments are "not meant to attack [REDACTED]" Mr. Reardon continued "We don't think she is accurate - that doesn't mean" that they are saying she is lying. He said they know she must believe her allegation - they just strongly disagree with it and assert that it is false.

We agreed, per my suggestion, that I would also send a copy of [REDACTED] to Mr. Reardon. I explained to Rev. Braun how the outcome of the Board's deliberations will be communicated to him both through the Vicars and myself (formally). I explained how his entire matter will now come under the Review Board's jurisdiction and that the Board might also end-up making other "appropriate" recommendations in terms of his monitoring, treatment, any protocols, etc. when the Board is ready to complete the formal Review (again probably following receipt of further information about his background on the prior allegation and what has happened subsequently).

Victim Statement Abstract:

This abstract replaces a memorandum prepared by Steve Sidlowski, Professional Fitness Review Administrator, regarding a statement given to Mr. Sidlowski on February 10, 1995 by the brother of Victim IJ concerning Victim IJ's allegation of sexual abuse by Fr. David Braun. According to Victim IJ's brother, he was not abused by Fr. Braun and did not witness Victim IJ's abuse by Fr. Braun, but had heard from his brothers that Fr. Braun had abused them (the brothers). Victim IJ's brother was able to corroborate additional details of Victim IJ's allegation and mentioned that Fr. Braun had tried to climb into bed with him once in approximately the mid-1960s when he was 13-14 years old.

RE: Response of Rev. David Braun to Most Recent Information
Regarding Allegation of [REDACTED] - Via
David Braun's Attorney Patrick Reardon

=====
I called Mr. Reardon and informed him that although there was very limited new information, [REDACTED]

[REDACTED] had allegedly recovered further memory of sexual misconduct as a minor by Rev. Braun. I detailed specifically the additional information to Mr. Reardon which [REDACTED] has added to her previous allegation against Rev. Braun. I also informed Mr. Reardon about how [REDACTED] had called me on 2-2-95 following the initiation of the Supplementary Review and before this most recent information/recovered memories were allegedly recovered by her ([REDACTED])

[REDACTED] and how [REDACTED] asked me what Rev. Braun's response to her allegation was among some other basic questions. I explained to Mr. Reardon that I noted to [REDACTED] that Rev. Braun was strongly denying the allegation and although he recalled her as a young girl, he always remembered her in the presence of her parents (i.e. not ever being alone with [REDACTED]). In addition, I noted to Mr. Reardon that I had contacted [REDACTED]'s brother [REDACTED], pursuant to the Review Board's instructions for the purpose of seeing what he might say about [REDACTED]'s allegation and I explained how he knew very little although he supported his sister. Moreover, I noted to him how [REDACTED] voluntarily made reference to the incident Board members will have read about in the memo related to [REDACTED] about an alleged request to get into a sleeping bag with Rev. Braun when he was a teenager. I made clear to Mr. Reardon, however, that [REDACTED] made clear that he did not believe that information was an allegation [REDACTED], although [REDACTED] had mentioned that it was his understanding that Rev. Braun may have sexually abused at least two of his other brothers when they were minors. However, I made clear to Mr. Reardon that none of [REDACTED]'s brothers have come forward formally with any form of an allegation of sexual misconduct as minors against Rev. Braun and if that was to occur, most definitely I would be back in contact with Rev. Braun and Mr. Reardon.

In any event, I discussed with Mr. Reardon how this additional information might be communicated to Rev. Braun and in terms of a response if I should assert to the Review Board Rev. Braun's

blanket denial of ever having sexually abused [REDACTED] at any time in his life. Mr. Reardon assured me that he will certainly inform Rev. Braun today of this most recent information, particularly regarding [REDACTED]'s additional allegation. Mr. Reardon then re-asserted that "There has never been any such contact" of this nature with [REDACTED] by Rev. Braun "period." Moreover, Mr. Reardon assured me that "unless you hear from me again today, I am convinced from my conversations with him that the response" being that Rev. Braun strongly denies this information which has been added to the original allegation by [REDACTED] [REDACTED] "will be the same."

I assured Mr. Reardon I would convey the above to the Review Board in its meeting tomorrow.

Phone Call to [REDACTED]:
([REDACTED])

2-17-95

- "I know you talked to my brother [REDACTED]" and that the conversation went well.

[REDACTED]
[REDACTED] she confirmed she may detail the additional memories formally sometime in the future).

- [REDACTED]
[REDACTED]
- I explained I contacted Rev. Braun's lawyer and informed him of the content of the additional memories thus far to give him an opportunity to respond and that Rev. Braun does deny the additional allegation/information as well.

- I told her I'd be sending out the letter following the outcome of the Review and if she'd like to call me or Ralph B. before she receives it to find out outcome of Board's deliberations, that'd be fine.

* The Review Board approved formally the Minutes for its January 21, 1995 meeting.

Matter of :

Matter of PFR-03 (D.B.):

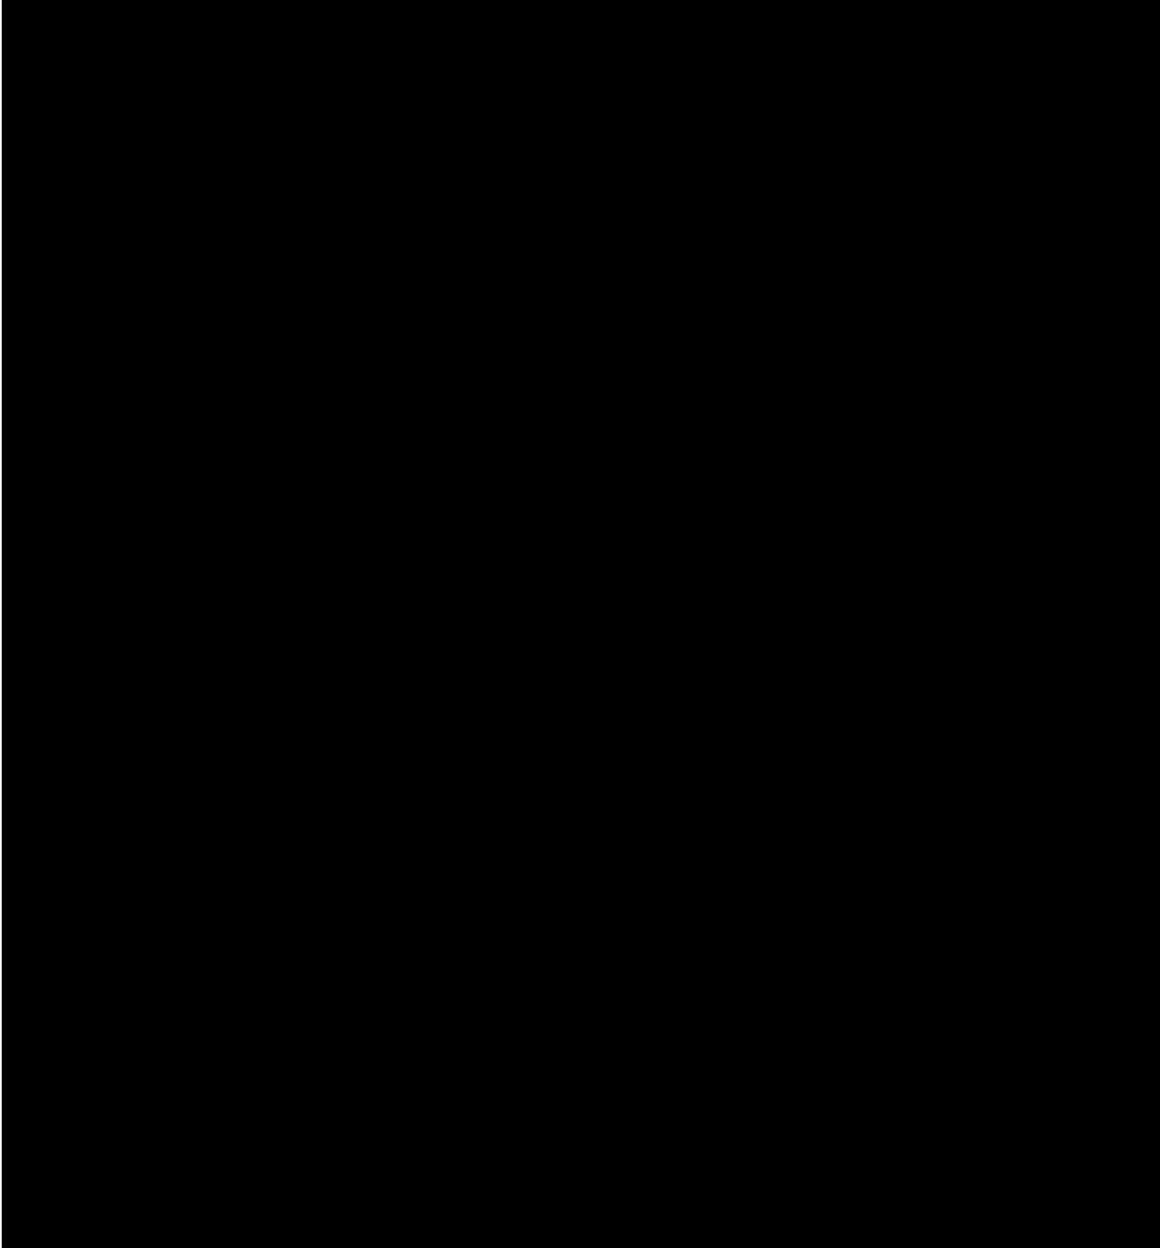

1) Pursuant to Article 4.12 of the Review Process For Continuation of Ministry, the Board completed a Supplementary Review in the D.B. matter.

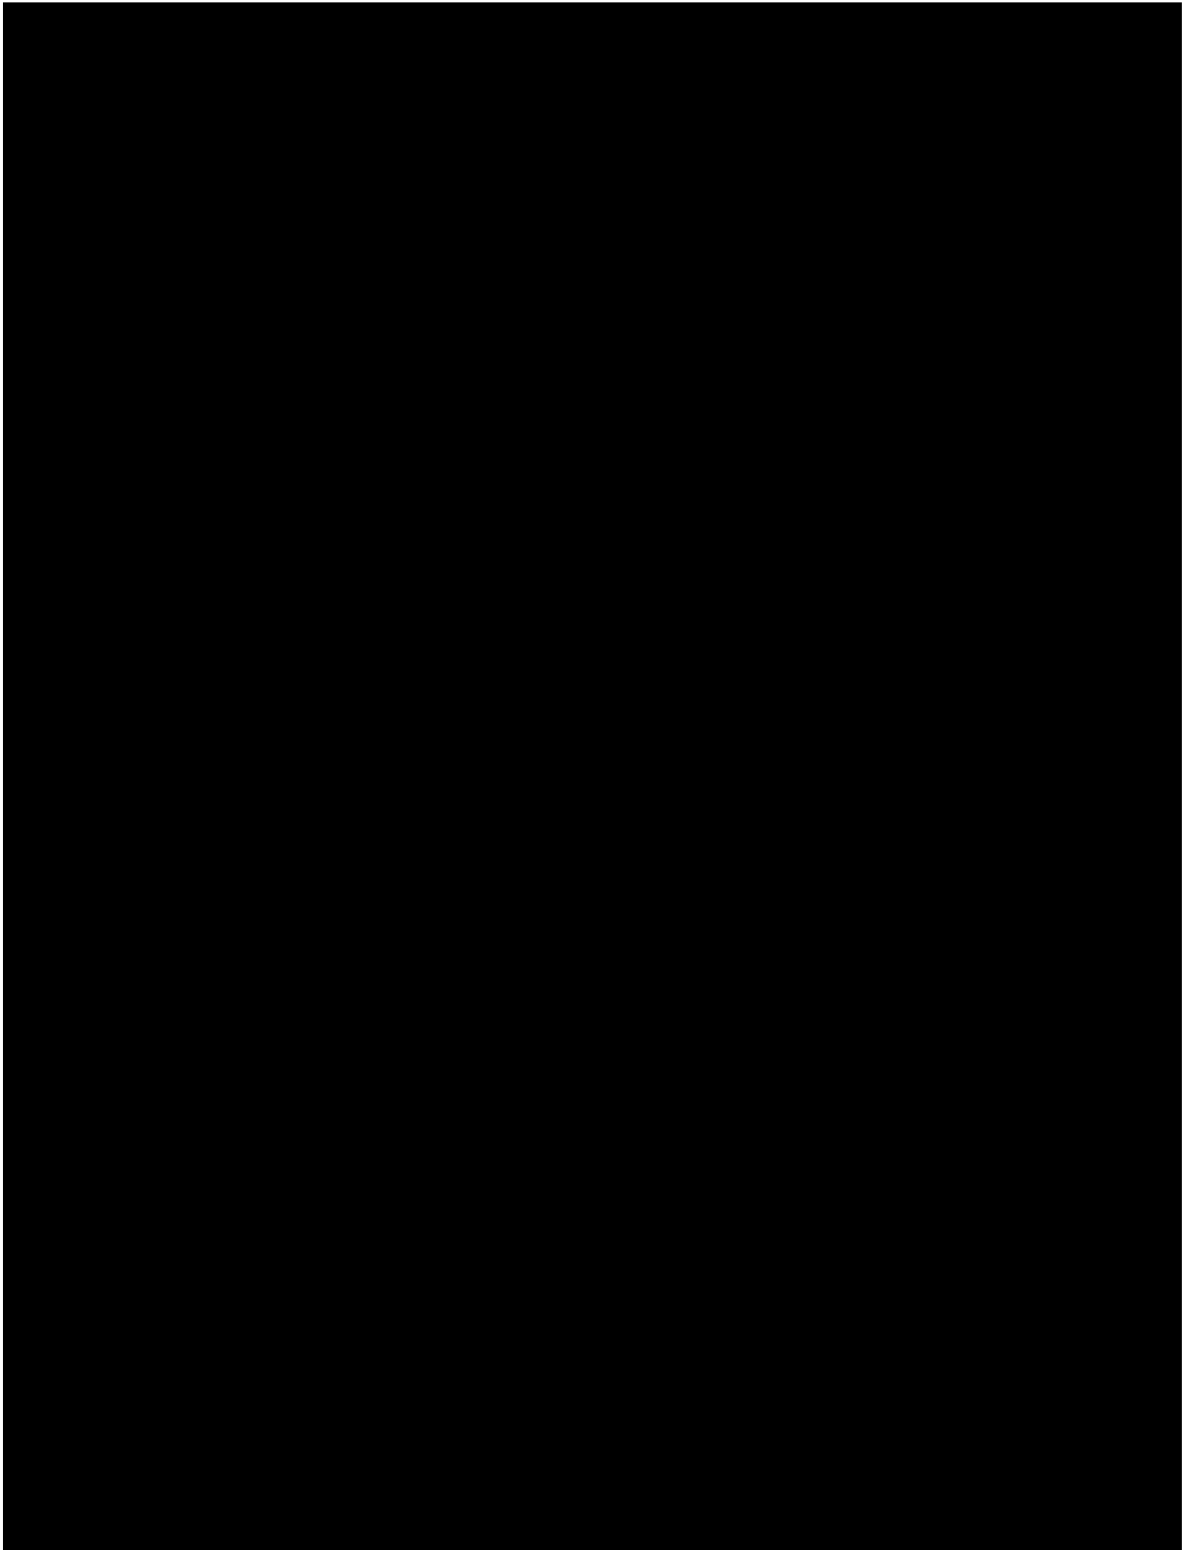

2) The Board determined that it is reasonable that D.B. continue to remain withdrawn and retired from ministry. Basis: Prior allegations against D.B. one of which in particular is deemed very credible apparently through the Vicar for Priests' report to the Board, the reality that D.B. has already been retired from ministry, and to continue to ensure that minors are not at risk in his presence in that up until now D.B. has mostly monitored himself in terms of his whereabouts, etc. although for monitoring he has also [REDACTED] regularly.

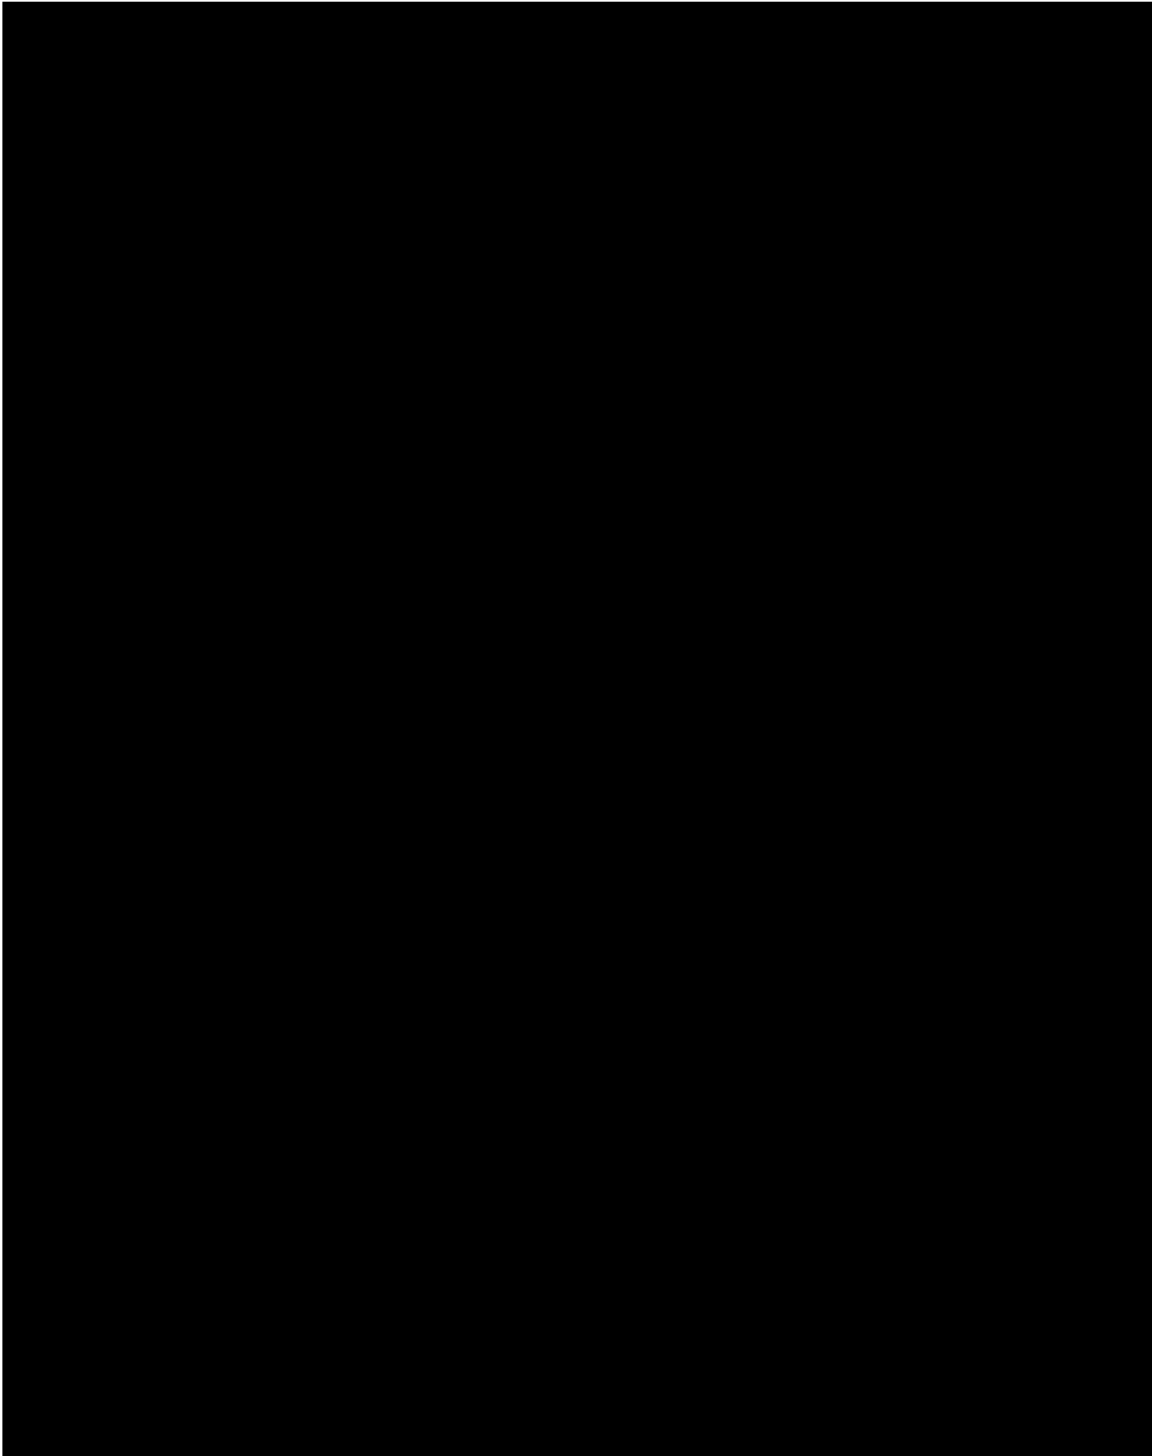

3) Recommendations to the Archbishop: Restrictions and monitoring continue to be imposed upon D.B. that he not be allowed alone in the presence of anyone under 18 years of age without the presence of another responsible adult; further restrictions should be imposed upon D.B. and specifically that on 2 days per week in

which D.B. is not [REDACTED], either the Assistant to the Vicar for Priests Rev. Andy McDonagh or the Vicar Rev. Pat O'Malley should call D.B. once a week and the Residential Program Director should also call D.B. once a week for monitoring purposes.

Matter of [REDACTED] Update:

- It was noted that most Board Members had suggested that March 18, 1995 would be a good meeting date when Office Administrative Assistant Rita Mongan had inquired of Board Members if it was a good meeting date for March;

- it was agreed that A.A. Rita would contact Board Members to see if a firm majority could make that date for another Board meeting (later it was determined that a clear majority of the Board can make April 29, 1995 for the April Board meeting so it is now set).

As a result, the Board recommended to the Archbishop that restrictions and monitoring should continue to be imposed upon Rev. Braun and that he not be allowed alone with persons under eighteen years of age without the presence of another responsible adult. Moreover, the Board recommended to the Archbishop that further restrictions be imposed upon Rev. Braun to help ensure that he is not alone with minors.

The Board requested that I communicate the outcome of its deliberations to you.

As you know, our Assistance Ministry and Ralph Bonaccorsi continue to be present for you to contact about the matter or if you have any questions at this time (1-312-751-8267). Of course, feel free to call or write me as well if you would have additional questions about the Supplementary Review.

Re: Rev. David Braun

I spoke to Fr. McDonagh today, 3/6/95, concerning the PFR Board's request for Fr. David Braun' monitoring. The request is that our office, either through me or through Fr. McDonagh, call David Braun each week on a day when he is not [REDACTED] [REDACTED] as part of a monitoring program. Fr. McDonagh will follow up on this and if he cannot call then he will notify me. According to the directions from the PFR Board, Bernadette Connolly will also call Braun once a week.

On 3/6/95, I spoke by phone to Fr. Braun. He is accepting of the restriction and will comply. He also asked that the FRA office send him a 1099 tax form for the money they have been sending him as a supplementary salary the past few years.

Re: Reverend David Braun

Bernadette,

As the Archbishop's Delegate to the Review Board, I am writing to confirm that Cardinal Bernardin has accepted the recommendations of the Review Board concerning Reverend David Braun described in Steve Sidlowski's letter to His Eminence dated February 23, 1995 following completion of the Supplementary Review at the Review Board's meeting on February 18, 1995.

Specifically, Cardinal Bernardin accepted the Board's determination that it is reasonable for Father Braun to continue to remain withdrawn and retired from ministry. As a result, the Cardinal accepted the Board's recommendation that restrictions and monitoring should continue to be imposed on Father Braun and that he not be allowed to be alone with persons under eighteen years of age without the presence of another responsible adult.

In addition, the Cardinal agrees that on two days a week that Father Braun is not [REDACTED], either Father Andrew McDonagh or Father Patrick O'Malley should call Father Braun once a week and you should call Father Braun once a week as well for monitoring purposes.

The Cardinal also agrees with the suggestion that a representative of the Archdiocese visit Father Braun when possible at his residences in Florida and in Sublette, Illinois.

Please inform Father Braun and the Review Board of the Cardinal's decision accepting the Review Board's determination and recommendations.

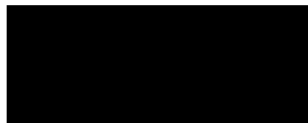

The work of the Review Board and yourself in this matter is very much appreciated.

Visit With PFR-03 Dave Braun at Woodhaven Lakes: July 5, 1995

On July 5, 1995 I went to see Dave Braun at his summer home in Woodhaven Lakes. Dave Braun met me at the security gate. We then proceeded to his home. Dave Braun lives on one acre of land. He has plenty of household chores and hobbies that he does on the grounds. Dave Braun also has a part-time job cutting lawns for other members living at Woodhaven. [REDACTED]

[REDACTED] Dave Braun and I sat down for lunch and briefly talked about his case. Dave Braun denied the allegations. He also felt relieved that at least someone from the Review Board finally met him face to face. He said that he only says Mass privately in his home and is [REDACTED]. He also follows up on his [REDACTED] every 3 months. Dave Braun's household was very clean and orderly. It is in my opinion that Dave Braun is living in a safe environment where children are not at risk. He has 3 neighbors on his block all of whom are retired.

Dave Braun will be staying at Woodhaven Lakes up until October. I informed Dave Braun that I would share this visit with the Review Board and that I will plan on visiting him again in the Fall.

Phone Call from Dave Braun:

Dave Braun called to thank me for yesterday's visit. He also welcomed me back this Fall. He also noted that he had not yet received his June check. I informed him that it's in the mail.

This abstract replaces a memorandum regarding a series of phone calls between Bernadette Connolly, Professional Fitness Review Administrator, and Victim IH and Ralph Bonaccorsi of the Office of Assistance Ministry between July 31 and August 10, 1995. On July 31, 1995, Victim IH called the Archdiocese's 800# and left a voicemail reporting that he was sexually abused by "Fr. Lester Brown/Braun" in 1960-1964 at St. Teresa. On August 7, 1995, Ralph Bonaccorsi spoke with Victim IH who reported that the abuse by "Fr. Lester Brown/Braun" took place when he was 10-12 years old and in the 7th grade, approximately 1960-1963. According to Victim IH, the abuse consisted of fondling and occurred 5-6 times.

According to Victim IH, the abuse consisted of fondling and occurred approximately 5-6 times.

Victim Statement Abstract:

This abstract replaces a memorandum prepared by Bernadette Connolly, Professional Fitness Review Administrator, regarding a phone call from Victim IH on August 10, 1995, in which Victim IH, returning Ms. Connolly's phone call of August 9, 1995, detailed his allegation of sexual abuse by "Fr. Lester Brown". According to Victim IH's report, Victim IH was sexually abused by "Fr. Brown" at St. Teresa in approximately 1960-1963, when he was approximately 10-12 years old. Victim IH reported that "Fr. Brown" would make sexual advances toward him and touch him for approximately thirty seconds. The abuse occurred roughly seven times. In 1966/1967, Victim IH saw "Fr. Brown" in a room with another minor boy who had his pants down. Victim IH and the boy reported the incident to the local Youth Center.

Re: David Braun

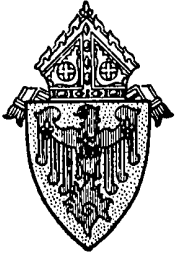

On 9/13, Bernadette Connolly called me to say that one [REDACTED] had called and told her that the previous perpetrator in his case called Buster Brown was now recalled as David. Ralph and Bernadette will meet with [REDACTED] and obtain more details. I told Bernadette that I would get in touch with David Braun and tell him that our meeting on 9/20 would not be possible. In light of these recent allegations it would be better to postpone the meeting until after Bernadette and Ralph meet with [REDACTED].

MEETING WITH FR. DAVID BRAUN, FR. PAT O'MALLEY and PFRA
BERNADETTE CONNOLLY REGARDING [REDACTED] ALLEGATION:

October 3, 1995

I met with David Braun and Pat O'Malley today to discuss the alleged allegation we had received from [REDACTED]. I informed David Braun that he has the right to request legal counsel. David Braun denied this opportunity. I explained to David Braun the policies and procedures in which this case would be reviewed under. David Braun stated that he does understand the process of this review. I informed David Braun that I would read each question that I had asked the alleged victim [REDACTED] to answer.

After reading all the questions, David Braun requested time alone to speak with Pat O'Malley. After 20 minutes I was asked to return to the room to further discuss the matter. David Braun stated the following - "I am not guilty as charged." He was first sent to St. Teresa's in July of 1964. He was never at St. Teresa's in 1963 and his record can verify this date. He stated that in 1964 he did not know of [REDACTED]. He did know that Fr. Lubock (sp?) was the pastor of St. Teresa's in 1964. Perhaps [REDACTED] has him confused with him or some other priest. David Braun admitted that he knew [REDACTED] in 1967. Shortly after Mass, [REDACTED] came to him and was asking where Fr. [REDACTED] was and that he needed to speak with him right away. David remembers telling [REDACTED] that he didn't know of Fr. [REDACTED]'s whereabouts. [REDACTED] then left. At this time in 1967, [REDACTED] was either a freshman or sophomore in high school. Fr. Braun also stated that he was not in charge of the altar boys. A nun was in charge and he didn't remember her name. Fr. Braun stated that these allegations are just not true. When he was at St. Teresa's, he was a janitor because the parish couldn't afford to hire a lay person for the job. As I said before, "I am not guilty of these allegations."

On 10/3/95 I met with Fr. Braun at the PFR office. Bernadette Connolly, PFR Administrator, was bringing to Braun's attention the latest allegation of a young man going back to 1964.

I was present at that meeting in order to serve as an advocate for Braun.

Bernadette read to Fr. Braun the allegation as she had received it from the young man. Braun and I conferred and then he gave his response to the PFR Administrator. He denied any impropriety with the young man. He did admit that he knew the young man, but not until the young man was in high school.

This matter will now go before the PFR Board on 10/21 and Bernadette and the Board will handle it from that point on.

Re: Review Board Meeting - REV. DAVID F. BRAUN - First Stage Review

The Review Board considered information presented by the Professional Fitness Review Administrator regarding the allegation brought by [REDACTED] against Father David Braun.

Based on the information presently available, the Board determined that the facts were inconclusive. The Board suggested that the Archbishop's Delegate discuss this matter with the Professional Conduct Advisory Committee and the Archdiocesan attorneys regarding who should conduct further inquiry, whether that should be done by the PFRA or the attorneys. Also, the appropriateness of continued assistance ministry to [REDACTED] should be assessed.

Given the fact that Father Braun is retired and in light of his history of health problems, the Review Board does not believe there is currently any risk to children posed by Father Braun.

Dear Monsignor [REDACTED]

Late last year I wrote on behalf of Cardinal Bernardin to Bishop [REDACTED] concerning the residence of the Reverend David F. Braun, a retired priest of the Archdiocese, in the Diocese of Rockford. You wrote back on behalf of Bishop [REDACTED] requesting some additional information.

In response to the question about Father Braun's being advised not to present himself to the local pastor as a retired priest, Father Braun has been so advised and he clearly understands and accepts this. In light of his many physical problems which I described to Bishop [REDACTED] in my letter of November 27, 1995, it is not likely that he will seek permission for any public ministry.

Regarding whether he is under any ecclesiastical censure at the present time, no formal canonical penal process was initiated nor has any sanction been imposed due to the length of time since the alleged misconduct, the extent of Father Braun's health problems, and his voluntary cooperation with the restrictions which have been placed on him by the Archbishop.

Please be assured that our Professional Fitness Review Board does not believe that there is currently any risk to children posed by Father Braun, however, we thought it best to advise you of his residence there in the unlikely event that any matters concerning these allegations and his presence in your diocese should come to your attention.

With every best wish, I remain

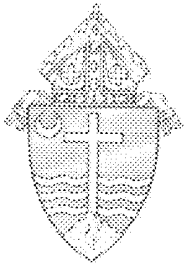

Sincerely yours in Christ,

- I spoke with D.B. today to see how things are going. He stated the weather is beautiful in Florida. He also stated he was planning to leave Florida in May and return to Sublette, IL for the summer. He also wondered if the checks were mailed out. I stated that they were. He also requested that I check the hot line # because when he dialed, it did not work. I told him I would check it. I also let him know I would be visiting him in Illinois this summer.

The Archdiocese of Chicago, David Brown and St.
Theresa's Catholic School

Dear Ms. Connolly:

Please be advised that I represent [REDACTED], a former student at St. Theresa's Catholic School. Based upon the correspondence between you and [REDACTED], it is clear that you are aware of the sexual abuse suffered by my client on or about the year of 1963 at the hands of your then employee, David Brown. I am aware of your investigation into this matter and the fact that the veracity of my client's allegations has been confirmed by the same.

Due to the time sensitive nature of these actions, we have already begun preparing a lawsuit on behalf of [REDACTED]. I urge you to take this matter extremely seriously, as I will file suit within one month from the date of this letter. If you wish to discuss the possibility of resolving this amicably, please contact me immediately. Otherwise, I will take all action necessary to seek compensation for the damage and destruction this abuse has inflicted upon my client.

Very truly yours,

Dear Bernadette,

w of 2-18
I am back in the land of sunshine and warmth! Spending two months in northern Illinois, [REDACTED] was not in my plan for this past Winter. "Man proposes, but God..." But

[REDACTED] It is more difficult, even scary, to be totally on my own, but God again provides wonderfully generous and self-sacrificing friends to help me, eg. shopping, dinners and snacks, making my phone calls, etc., even cleaned my house before I got back here!

At present, I'm almost overwhelmed by the amount of paperwork, letters to write, decisions to make, plus income tax to do, I hardly know where to begin, except that this letter is a beginning!

I am very grateful to so many family and friends for the prayers, Masses, cards and notes for my recovery and encouragement. These have been my mainstay from day to day, helping overcome any depression or loneliness.

[REDACTED]
[REDACTED] Just getting myself organised to the new routine has taken me several days.

Daily Mass and Prayer Time have been my source of strength and motivation. I include all of my friends and benefactors in those prayers! And so I ask that you continue to pray for me, that my recovery will be complete, and that I may grow to be a better person because of this new "life style".

God bless you with His Peace.

Dear Bernadette,

This is a personal 'follow-up" of the letter on the other side. When I was in N. Riverside, staying with [REDACTED], I did not have your address or phone number. Nor ~~did~~ I have the energy to do much corresponding!

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

I do plan to return to Woodhaven in early May. (My April check can come to Fla.) The weather will be warmer up there by then, at least bearable, anyway.

My neighbors are still helpful, and we check in everyday. I'm able to manage the ordinary things pretty well, [REDACTED] so things are pretty much O.K. [REDACTED]

[REDACTED]

And I've stayed sober, really happy inside, with the same sense of humor; maybe a little more prayerful, with deeper pray due to lots of silence.

Anyway, I'm OK. Let us pray for one another.

From: Leah McCluskey, Interim, Professional Fitness Review Administrator 

Re: **Rev. David Braun (Deceased)**

Date: September 27, 2002

PFRA contacted alleged victim [REDACTED] this morning via phone in regards to his allegations of sexual misconduct against a priest. [REDACTED] stated that he spoke with Ralph Bonaccorsi of Victim Assistance Ministry last week regarding his allegations. As per his conversation with Ralph, [REDACTED] stated that when he feels comfortable, he will write a detailed letter of the abuse he sustained by Dave Braun who was a priest in Wilmette in 1982. [REDACTED] continued by stating that when he is comfortable and feels ready to write such a letter, he will forward it to the Office of Professional Fitness Review and will come forward for a face-to-face interview at that time if necessary.

When asked by PFRA, [REDACTED] stated that he originally identified the priest as Fr. Dave Brown, which he stated is incorrect. [REDACTED] confirmed that the name of the priest who allegedly abused him is Fr. Dave Braun. PFRA then asked [REDACTED] if he recalls the name of the parish where the abuse took place. [REDACTED] stated that he did not recall the name of the parish because he did not attend the school, but had gone to the parish in Wilmette [REDACTED].

[REDACTED] was extremely cooperative and appreciative of the phone calls that he has received from both Victim Assistance Ministry and the Office of Professional Fitness Review.

Dear Ms. Boliker:

Please be advised that the Archdiocese of Chicago's Office for Child Abuse Investigations and Review has received an allegation that [REDACTED] was sexually abused as a minor by Fr. [REDACTED] also alleges that an unknown nun, possibly by the name of "Sr. [REDACTED]" sexually abused him in approximately 6th grade, around 1953, at Sacred Heart Grammar School as well.
