1. Received 3 pts of B.C.L.

- scandal
- spirituality
- material & psychological health

2. Jim received has effective and affirmed he is in ministry. He feels he has brought closure to the affair in Calgary. I asked him about Medham - he told me the details after some he minded reviewing it. He then went on to talk about ~~\_\_\_\_\_~~ in Harrohill.

Medham - 2 children born - 1 purposefully, 2 not planned - sister <sup>of woman</sup> knew of his "ties" to children - so, think she knew focus involved. Woman's pelvic pain she had a robotomy. Has never seen children since time of her death. Did threaten him that if he bothered the family she would report the cause of her death and who called 911 -

Calgary woman is now married & living in Vancouver. She calls him a few times each year.

Harrohill - had a lengthy relationship with her. Some her children (Aimee) knew of relationship but never criticized it. Woman is very spiritual.

3. - He does not fear any scandal will surface in any of the three relationships.

- He is willing to make a retreat w/ Abbott Matthews - Don't call
