

Mtg. with James Foley

1/23/94

1. Received 3 pts of B.C.L.

- scandal
- spirituality
- emotional & psychological health

2. Jim received has effective and affirmed he is in ministry. He feels he has brought closure to the affair in Calgary. I asked him about Medham - he told me the details after saying he minded reviewing it. He then went on to talk about Nadia Haverhill.

Medham - 2 children born - 1 purposefully, 2 not planned
- sister ^{of woman} knew of his ties to children - so though she knew fear involved. Woman's pediculation. She had a bobotomy. Has never seen children since time of his death. Sister threatened him that if he botched the family she would report the case about cause of her death and who called 911 -

Calgary - woman is now married & living in Vancouver. She calls him a few times each year.

Haverhill - had a lengthy relationship with her. Some her children (Aboriginal) knew of relationship but never criticized it. Woman is very spiritual.

3. - He does not fear any scandal will surface in any of the three relationships

- He is willing to make a retreat w/ Abba Matthew
- Don't call

- He is 'stubborn' and does not allow rates of psychotherapy regarding his character problems.
I told him it was his vulnerability that

near the main issue - How to make sure it doesn't
occur again - by knowing himself and having
a close relationship with the Lord -

What is his prayer life like now?
