Sir,

It took me a long time to make the decision to write to you because I do not want to hurt any body.

But I am now in a desperate situation and I need your help..

11 years ago I got involved with Tom Forry " Father Forry". My Husband, at the time, found out and ask for a divorce, asking also to give everything, including my house so there will be no scandal . He let me have my son.

Many years passed , many problemes but Tom and I stayed together. He built a house in Cape Code for us, [REDACTED] Mashpee Mass, ans said to me that no matter what happens I will always have a roof over my head. And I was just happy that way..

I never asked Him leave the church, because I knew He would never be happy just married to me.

3 months ago for some reason Tom decided, after 11 years that He has to make a choice, it is very painful that his choice was to leave me, but I understood.

What i do not undestand, is, that He threw me out of the house and rented to other people, He give me some money to survive until now. But my son had to be hospitalised in a psychiatric hospital at Newtown when He stay for 4 weeks. tel: of the hospital 964 2800 . My Son name [REDACTED]

I could go to work .. I asked Tom for help but He refused . Now my Landlord asked me to leave the house I am renting because I can not pay my rent. That is why I ask for help. Would you , please ask Father Forry to help me because I asked

Him to many time and He said No.

Ido not want Him to have problems whit the Church because I  
will say it again He is a good Priest and want to be better  
His choice is proof.

Iam sorry I have to write to you but you are the only one  
I could turn too. - . [REDACTED] and i do not have any f.  
here except my Son.

I thank you
